

# Hiwinui School

Week 1 - Term 3  
25<sup>th</sup> July 2019

*Dear Family and Friends,*

Welcome back to Term 3 - what a pleasure to have come back to the lovely warm weather, such a shame we didn't have some nice days during the holidays.

I hope you have all noticed the fabulous developments that have been happening around the school.

Great to finally have the Bore and the new water system up and running and thanks to the **Palmer family** our new drinking fountain has been installed behind the library.

The 'Hay Makers' can also have a look in that area and see the fruits of their labour. Yes, the Shade Sails were installed over the holidays and when the sun shines they are going to be fabulous protection for the children.

**Mr Nind** has, much to the soccer boys' delight, had the two soccer goals welded back together again - we really appreciate that as they are well used pieces of equipment all year round.

Our wonderful cricket wicket is happening. **Matt Avery, Steven Radich** and **Steven Judd** have been really busy working on this project from the ground up and now, fingers crossed, **on Saturday at 7.30am with your help** the concrete will be poured. We need plenty of men and their wheel barrows and gumboots to help with this as everyone needs to be away a.s.a.p. for children's sport. Matt hopes it will only be about an hour's work.

It is a pleasure to welcome three new students this term:  
**Cooper Avery, Dillyn Blackmore and Laycee Castell-Spence.**

We hope that you all enjoy your Learning Journey while at Hiwinui School.

The **Manawatu Oroua Boys & Girls Lamb, Calf & Kid Championship Day** has been set for the first week of November in Rongotea. This is usually the week when Hiwinui School has ours. We therefore need to move our Lamb, Calf & Kid Day back to **Saturday 19<sup>th</sup> October**. Entry forms and a 'Beginners Guide to Pet Day' will be sent home soon. Due to the Mycoplasma Bovis issue, only calves from the five local farming families will be able to be brought to our pet day. All calves entered will have to adhere to strict guidelines set down by MPI. These families will be contacted by the school re their participation. We are fortunate that the **David Wood family** will once again allow children from Hiwinui School to go to their farm and care for and prepare calves to bring to the school day. Lambs, calves and kids brought to our pet day must be born between 1<sup>st</sup> July and 15<sup>th</sup> September 2019. Animals must have participated in a

school pet day to be legible to attend the Championship Day in Rongotea on the 2<sup>nd</sup> November.

Thank you parents and whanau for supporting the **Open Classrooms** that we held on the last day of Term 2. It was lovely to wander around and see the children so proudly showing and telling their family members about their term's learning.

We look forward to seeing everyone again at **Parent Interviews next Monday and Tuesday**. Please make sure that your children's slips have been returned to Mrs Stevenson as she has a really difficult job ahead of her trying to accommodate everybody's desired times. Appointment times will be sent home on Friday.

### **Whole School Marae Visit: Friday 2<sup>nd</sup> August**

All students and staff will be visiting the Rangimarie Marae as part of our Term 3 Inquiry. Students are advised to wear warm and comfortable clothing and **named** gumboots will be important. We are overwhelmed with the support we have received from our parent community. Parents if you would like to share the experience please feel free to follow us in your car. It is important that you join us for the welcoming Powhiri on our arrival which we hope will be about 9.30ish.

Permission slips and \$11 per pupil must be in the office by 9am tomorrow.
