

Week 9, Term 2

23 June 2023

Kia ora e te whānau

Our week has been busy with diverse opportunities for our learners across the school. It has been great to see students putting their hands up to try new things and be part of new experiences. Our schoolwide Enviro Day on Wednesday was a great example of students embracing new enviro tasks. The activities included investigating new information, learning about recycling, exploring the tracks predators leave, and learning about plants too. Our children created some wonderful bird feeders to take home and spent lots of time in our natural environment around our school. We have had some junior learners wanting to be part of our Enviro Crew and our older role models have welcomed them into this crew so beautifully. This is a great example of how our programmes evolve based on student interest and feedback.

This week we had two awesome teams competing at the Kainui Rippa Rugby Tournament. We had several Year 5-6 students that played up a grade to ensure we had enough girls for our Year 7-8 team too and this is the school spirit we love! Our learners get involved and participate with enthusiasm. Congratulations to Cohen, Cooper and Harper for being recognised for sportsmanship and their playing skills on the day. Thank you to Alipate for all your support coaching our teams at the tournament—this definitely helped with their performance on the day.

This morning we were fortunate to host a Delegation of MPs from Parliament. They supported Pūkeke as part of a live debate in the classroom and this was an awesome way to extend on classroom learning this term around persuasive writing and debating. It was lovely to see the confidence of our learners develop during the debate and the way they engaged in such a positive and

respectful way with our visitors. The Speaker of the House, Rt Honourable Adrian Rurawhe, led the debate and supported in explaining how Parliament works to our learners—what an awesome learning experience!

As the week comes to an end we also wanted to remind you that we would still love a few more responses to our whanau survey. Five mins is enough time to complete this and you simply scan the QR code to fill this in. The redesign of our school values will be launched early next term and your feedback as part of this process is valued.

Ngā mihi nui,
Erin

KA PAI KIDS

Pūrerehua: Benny—What a cool kid you are, Benny! You have made a fantastic start to school, always putting your best foot forward and showing so much enthusiasm to make friends and join in with school life. Keep up the fantastic attitude and work, my friend!

Ngaruru: Olivia H—You have such a positive attitude to learning and always come to school with a smile on your face. You demonstrate perseverance and are always kind to others. Keep up the amazing mahi.

Arotahi: Kody—You are showing commitment and perseverance in your learning. We love the way you are taking risks in your learning and completing tasks independently. You are also showing kindness to others in the playground. Ka pai!

Kaihōpara: Austin—What a superstar week you have had! Your understanding of probability is impressive. You are keen to share your knowledge with your peers. Thank you for your hard work during our Enviro Day.

Taurikura: Isabella—For being a focused active learner.

Pūkeke: Lachlan—It is so lovely to see you step up as a senior student in our kura. You are digging deeper in your mahi and are becoming much more confident in yourself, your abilities and what you can contribute to discussions. Mahi meke e hoa ma.

Hiwinui Intermediate Netball

This week playing against Whakarongo Steel saw us bring home a win of 18-4. The team are working together, using all of the court and creating space to receive a pass. Great to see the team hold on to our values of being fair and respectful to players even at times when it is not reciprocated. Ka Rawe Team! The Player of the Day was Millar—Impressive attacking play, creating space and moving forward to receive the ball. Your shooting has been on point too. Te kino kē hoki- Outstanding!

Netball—Years 5-6

The year 5-6 netball season will begin in the first week of September and play through to the end of November. Rather than issue an additional “form” to go home, please simply let us know if you have previously expressed interest and now your child does not want to play.

In order to enter two teams, we are potentially seeking four additional players across years 5 and 6. Games are played at Vautier Park on a Tuesday or Wednesday at 4 or 5pm depending on the draw.

IMPORTANT DATES

30 June	Doughboys Pies Delivered!
30 June	Term 2 Ends
17 July	Start of Term 3
8 Sept	Friends of Hiwinui School Quiz Night!

Friends of Hiwinui School

Thank you for all the pie orders—these will be available on Friday 30th June for pickup. A Skool Loop message will be sent out once orders are packed. We are still in need of paper bags for orders, please pass these onto the office.

We also need around four parents to assist with packing the pies into their orders—from 9:30am. Please either leave your name with the office or email fundraising@hiwinui.school.nz. Thanks!

Thank you for continuing to support the ANZHC launch through discussions at home. It is so exciting to share our thoughts, accomplishments and whanau at school with our learners. This week our discussion will be about aspirations for our future.

He aha taku hia hia mō
ngā rā kei mua i ahau?
What do I want to do in
the future?
