

Week 7, Term 3

31 August 2023

Kia ora e te whānau

The sunshine throughout this week has definitely had a great impact on our learners. Break times are happy and learners are busy with all sorts of sports, games and fun. Every week we have a range of activities that children can opt into during our lunch breaks. These activities include:

- Sports on a Monday with Mr Clement and there is always a great senior game in action on the front carpark
- The Library being open on a Tuesday and Thursday— thanks to Pou Kendall and Charlotte
- Our Dance crew have also been meeting lots for their lunchtime practice
- Enviro learning every second Wednesday guided by Pou Heidi
- And the Epro8 challenges will continue again with Pou Holly too.

Happy students during our break times also mean we have settled learners during the afternoon block too. We have had a lovely new reliever join us over the last two weeks—she is a highly experienced teacher and she has simply raved about the happiness within our playground and how much of a joy duty is at our school. This is lovely feedback about our children. Of course we do have disagreements in our playground too and students do sometimes need support with friendships and games but we try and address these things in a positive way and teach/reinforce the behaviour we want to see. We are also working hard to promote that children chat to a duty teacher when something is wrong or worrying them.

It was lovely to see our Year 8’s excitement as they headed off on Tuesday for a fun experience interacting with some of their peers from Kainui Schools that they will be going to high school with. They now have some faces to look out for at our next Kainui event and as they start high school. You may have seen the post on Facebook this week

showcasing the learning that is offered to Pukeke at Tech when we visit Monrad Intermediate each week too. If you would love to know more about our Intermediate Opportunities at Hiwinui you are welcome to pop along for a cuppa and chat in Pukeke on Wednesday 6th September. This will be a chance for you to hear a little more about how our learning programmes are structured and will include information about how as a small country school we promote opportunities to support and extend all our Year 7-8 learners. Whanau from all levels of our school are welcome to join Pou Portia from 5.30pm. Alternatively feel free to make a time to chat with Erin and Portia about your child and the Intermediate considerations you are making.

**Ngā mihi nui,
Erin**

Good luck to our Dance NZ Crew performing tomorrow at The Regent! We are so proud of your determination and talent! Thank you Pou Jo for your dedication working with this group of dancers.
