

**Week 1, Term 3**

**21 July 2023**

### **Kia ora e te whānau**

It has been lovely having everyone back at school and classrooms have been really busy this week with a range of exciting learning experiences.

At the end of last term you will have received your child's report—this is a summary to reflect the progress they are making. We look forward to talking through these reports further at our Learning Conferences, which are scheduled for Week 3. Appointments will be able to be booked via Skool Loop from Monday. Please know you are always welcome to touch base with your child's teacher throughout the term. Whānau are welcome to pop into our classrooms before school and you can also catch our team on the deck each day after school.

A couple of reminders:

- School drop off time is from 8.30am.
- Pick up time is appreciated between 3pm - 3.10pm.

Kelly Club is continuing to do morning drop offs to school and pick ups in the afternoons too. This service, based in Ashhurst, is working out really well for a group of our families so please consider supporting this service if our school opening hours are a challenge for you.

On Wednesday our Sports Leaders and House Leaders did an absolutely fabulous job running a fun Sports Day. Millar, Alannah, Levi and Xavier did all the organisation for this day; planned the activities, sorted the groups, designed player of the day certificates and organised all the gear too. It was wonderful to see how much our learners enjoyed participating in the 11 different sports and activities on offer. We were so proud of the way students tried new things and happily rotated in mixed age groups around the different sports. Our Sports Leaders should be so proud of this event!

Thank you for the whānau feedback shared in our survey at the end of last term. This provided a great insight into the values you see as being important to teach and develop in our learners. You also gave us some great ideas about things we can tweak and adjust too. In the coming weeks you will start seeing the launch of our new branding and the values that align with this. This will have a connection to our local landscape and as part of this our Team Names will now reflect the peaks that we can see from our school field. Our youngest learners in Years 1 - 3 will be our Wharite Whānau and our Senior Team will be our Maharahara Whānau. These peaks are both significant within the Ruahine Ranges and our learners earlier this year explored the elevation of these peaks as part of our Rich Maths tasks and were involved in

learning a little about the landscape we can see, in the distance, just beyond Hiwinui.

We have a few staffing changes for the term ahead: Congrats to Mr Clement and his wife Rose on the arrival of their gorgeous little girl at the end of last term. Pou Allanah is now teaching in Room 5 each Friday and will also continue Classroom Release time for teachers every Thursday.

Within our Wharite Team we also welcome Whaea Jessica to our teaching team. Jessica has moved from the Waikato and has 8 years teaching experience across a range of levels. Within Wharite Jessica will provide both Literacy and Maths learning support as part of accelerating student progress. Novena finished in our Support Staff Team at the end of last term and we wish her well on her new endeavours.

Are you connected with us on Facebook? Please join our Hiwinui School Closed Group so you can see updates, photos of learning and also get little reminders about things happening within our school.

Our school grounds are quite wet at the moment. As so many of our learners love to be out on the field and enjoy playing sports at break times even though it's a little damp. Please continue to send your child with spare clothes just in case they need them.

*Ngā mihi nui, Erin*

## Hiwinui Intermediate Netball

Welcome back team to the last section of the Intermediate season. Ashhurst 7/8 Aces couldn't keep Hiwinui away from their winning streak with a score of 20-8! Team, you continue to develop your skills over the season and you work hard to achieve. Congratulations on your play to date. Working as a team makes the impossible possible! Ka mau te wehi! Outstanding!

Player of the day—Alannah—fantastic play throughout the court, being there to receive passes and support others. Your enthusiasm on the court is infectious. Ka Rawe Lani! The last game of Term 2 was played against Ross Pulse. What a fantastic game where pressure was applied on both sides—added pressure with past Hiwinui students playing against us! Hiwinui won 17-7. Player of the day was Hadley—strong consistent play across the court meant you were available for passes and defended well throughout the game. Ka Rawe Hadley!

Thank you for continuing to support the ANZHC launch through discussions at home. It is so exciting to share our thoughts, accomplishments and whānau at school with our learners. This week our discussion will be about what skills, appearance or personality traits we have that are similar to our other family members and ancestors.

He rite tonu au ki a wai?  
Who am I like?

## KA PAI KIDS

**Pūrerehua: Emma**—What a stunning start you have made to your school journey, Emma! I am so proud of the way you have got stuck into class activities and love to share your thinking with our class. Keep up the amazing attitude and putting your best foot forward!

**Ngaruru: Harrison**—It is great to see you persevering in your learning and achieving your goals, especially in Literacy. Thank you for the fun you bring into the classroom and your willingness to work with others. You are tu meke!

**Whaea Jessica: Evelyn**—I am proud of how you have risen to challenges this week in our maths time. You have been giving things a go and working on your growth mindset. Ka pai!

**Arotahi: Hugo**—It has been so good to see the effort you have put into your literacy tasks this week. You are working so hard on your reading and writing and you are making huge improvements! Ka rawe Hugo.

**Kaihōpara: Abigail**—You have been an outstanding member of Kaihōpara! Every day you come into class with a bright and cheery smile, complete all your work to a high standard and are always willing to help others. Don't stop being you!

**Taurikura: Oliver**—You have had an outstanding week! Your enthusiasm and confidence has been wonderful to see. Ka pai for volunteering to share your writing, and read to the whole class!

**Pūkeke: Logan**—You are so helpful and have a very practical, hands-on 'can do, will do' attitude that you apply in and out of class. Thanks for always being willing to lend a hand and being super reliable.

# Lamb & Calf Rearing Evening

**TUESDAY 25<sup>TH</sup> JULY 2023**

**Time:** 5:15pm - 6:30pm

**Where:** PGG Wrightson Feilding, 18 Manchester Street, Feilding

Join PGG Wrightson for an in-store evening of tips and advice to help get your animals ready for lamb and calf days.

We can help with checklists, advice and recommendations to get you set up for successful lamb, calf or goat rearing.

Phillip Spies from MaxCare will demonstrate correct mixing and feeding techniques for milk replacer powder to give your animals the best start.

We will also have guest speakers from Gusto Calf Meal, the PGG Wrightson Animal Health Technical Team and the Manawatu Oroua Calf Club. They will also be available to answer any questions you have to help you with your lamb or calf rearing this season.

There will be product specials, sausage sizzle and a colouring competition.

All kids will receive either a 20kg bag of 20% Gusto Calf Meal or a 10kg bag of Gusto Lamb Meal!

*Do you have what it takes?  
Stamina, courage, mental and  
physical ability, not to mention a  
sense of adventure and fun.*
