

**Week 3, Term 3**

**4 August 2023**

### Kia ora e te whānau

Thank you for joining us this week for conversations about your child's learning—teachers find these sessions an incredibly valuable way to connect and share your child's progress. We know that these 10 min conferences go really fast so please know you are always welcome to contact our teaching team throughout the term to chat further. 114 appointments were made across the two days of Learning Conferences—but if our time slots didn't work for you please touch base as soon as possible about scheduling a time.

This week has included some great learning experiences across our school and here are a couple of highlights:

- Pā Ronald from Lytton Street School supporting with the teaching of our waiata: Te Ahu a Turanga. We are in the process of selecting a group of 40 students to perform at the Kainui Kapa Haka event later in August. This waiata has been selected as it is significant to our local area and you will also recognise the connection of its name to the new highway being built.

*Making the most of the sunshine!*

- Our Enviro Crew working with Pou Heidi on our Predator Free project. They made Tracking Tunnels this week and have placed these around our school to see what predators are around. The enthusiasm is huge.
- Our Lunchtime practices for our Dance Squad who will be performing at DanceNZ Made in September. They are learning an awesome routine that has been choreographed by Pou Jo!

One challenge we are having at the moment is with lots of lost property. We love it that our learners come to school with everything they need but often they don't seem to go home with all these things! We have an amazing supply of branded hoodies, sports shoes and oodles of lost socks. Are you missing any clothing? Chatting at home about taking care of personal property and clothing would help us hugely!

Ngā mihi nui,

Erin

**EPIC LESSONS:**  
These are our popular 25-30 minute group lessons with 2-4 students, run during the school day, in school grounds. Students are given their own tuition book which tracks their progress. They also earn a new coloured wristband after passing each test.

**MUSIC FOUNDATIONS:**  
This is our group lessons for years 1 & 2 only. In this programme, they get to try a range of different instruments while still learning the basics of music including: rhythm, harmony, melody, playing together in a group, and how to read music.

What symbols/shapes/colours etc could represent the values you have in your whānau?

## Lamb and Calf Day

Our date for Lamb and Calf Day is set for **Saturday 28th October**. You are welcome to add your name to our list in the office if you are looking for a Pet Lamb and as farmers let us know about lambs that need 're-homing' we can touch base with you. In previous years we have simply asked for a Koha of some yummy baking to thank the farmer.

## Hiwinui Intermediate Netball

Colyton B kept Hiwinui on their toes throughout the game, in fact the score 13-5 to Hiwinui doesn't reflect the battle that occurred on the Court. We were shown that passes without intent and purpose give the ball to the opposition—and we need a team to work together in order to achieve!

A special thank you to parents, the evenings are getting harder to be out in, your commitment to bring your tamariki along is commendable. Thank you for your support and encouragement for the team—without you there is no team!

**Player of the day: Caitlin**—Congratulations on maintaining your composure when pushed to the limit. You did not let the "noise" affect your play and not reacting kept you a great team player! Ka Mau te Wehi!

## Swimming Pool Keys

There are still several pool keys outstanding. All key holders have been followed up by phone and/or email. We urge you to please return your pool key if you still have one.

### Update - Child & Adolescent Oral Health Service

This letter is to aid expectations and answer concerns raised by some whānau/families. Please feel free to share.

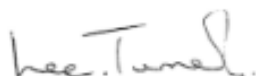

News and radio articles report delays in health services due to workforce vacancies, sickness and the impact of COVID-19. These issues have impacted almost all health services and providers, including the Child and Adolescent Oral Health Service.

The Child and Adolescent Oral Health Service is currently operating at reduced capacity. Many tamariki are waiting up to two years between examinations. We recognise that this is not ideal, however with regular brushing and a healthy diet the risks of tooth decay are vastly reduced. If needed, this link has videos on tooth brushing for pāpē and young children <https://www.nzda.org.nz/public/resources/oral-health-videos>. The plan is return to providing a normal service as and when circumstances allow.

In the meantime should there be any oral health concerns then the service can still be contacted via 0800 825 583 (0800 TALK TEETH) or emailed [OralHealth@midcentral.govt.nz](mailto:OralHealth@midcentral.govt.nz) and where indicated, an appointment will be made. Also, if an appointment is made and can no longer be kept, please let the service know to reschedule so the time can be used for another child.

If there are any queries or concerns regarding this letter please phone 0800 825 583 or email [OralHealth@midcentral.govt.nz](mailto:OralHealth@midcentral.govt.nz)

Yours sincerely
