

Week 4, Term 3

11 August 2023

Kia ora e te whānau

This week has been full of opportunities for our Maharahara learners to represent our school and also develop their personal interests. The Kainui Netball Tournament on Wednesday was a great event and 29 students represented our school with pride. It was great to see the determination on the court and the way our teams skills progressed throughout the day. This tournament continues to be a tribute to Brenda Leigh as she was highly passionate about netball and developing this talent. The Memorial Shield (for the most points on the day for a Year 7-8 team) was presented to Newbury School.

The Enviro Tree Planting with Horizons Regional Council was another awesome opportunity that 26 students were part of. This was a hands on learning experience where they were guided through the planting process and also had the chance to learn why certain plants were being chosen for different parts of the forest development. We then had the chance for a guided tour to see what the seedlings we planted would grow into over hundreds of years.

Within Kaihopara we have a team of Kindness Ambassadors and these learners have been working alongside Pou Kendall around developing kindness initiatives for our school. They were fortunate to attend the Kind Hearts Day at the Awapuni Racecourse and learn alongside lots of other schools about the impact of being kind, supportive and inclusive.

Over the next few weeks we have some other Kainui Events coming up. We have three Kainui Football teams entered in our cluster tournament at the Ashhurst Domain next Friday and also a larger group of students will be representing our school at the Kainui Kapa Haka event later in August too. Thank you for your on going support when there are school and Kainui events on—it is always appreciated that our children are at school on time ready for buses, and thank you for organising them with the gear they require.

Ngā mihi nui, Erin

One of three Kainui netball teams! Well done everyone!

Aotearoa NZ Histories this week we are looking further into our whānau history and wondering WHY our ancestors might have come to settle in NZ, or what area or iwi they whakapapa to.

He aha tō tātou whānau/ō tātou tūpuna i harae mai ai ki Aotearoa?

Why did our family/ancestors come to Aotearoa New Zealand?

Lamb and Calf Day

Our date for Lamb and Calf Day is set for **Saturday 28th October**. You are welcome to add your name to our list in the office if you are looking for a Pet Lamb and as farmers let us know about lambs that need 're-homing' we can touch base with you. In previous years we have simply asked for a Koha of some yummy baking to thank the farmer.

Hiwinui Intermediate Netball

Hiwinui continues their winning streak with the score of 19-5 against St Peter's Int Green. The team pulled together, demonstrated great ball skills and our shooting players were on fire!

Player of the day: Cohen—What an absolute awesome game! You nailed your skills in all areas of the court. It's a joy to watch your skill set develop and you enjoying your game. Koia kei e koe! You nailed it!

Spare Clothes

At this time of year it is very useful to pop a spare pair of clothes in your learner's bag. The grounds are fairly wet and muddy in places and we're finding ourselves running low on our spare clothes. Also please remember, if your child does come home in an alternative outfit, please wash and return to school as soon as possible.

KA PAI KIDS

Pūrerehua: Carolina—You have been so enthusiastic to share your Maths thinking about our favourite animals this week! It is amazing to see you stepping up and leading our class by sharing how you think we should show our ideas. Keep it up, Carolina!

Ngaruru: Henry—Thank you for being leader in the classroom with your positivity and genuine care for others. It has been especially lovely to see you support students in Pūrerehua this week. Tu meke Henry.

Arotahi: Benjamin—We love your creativity in Arotahi! You write fun and interesting stories, and your pieces of art are so detailed and unique. We really value your vivid imagination and clever thinking in Arotahi. Keep being you Benjamin!

Kaihōpara: Isla—You have gone the extra mile with your maths learning this week by finding the perimeter and area of things at home. It is incredibly cool seeing your commitment to learning not just in learning time! Great work, bud!

Taurikura: Edi—You have been working so well in every subject! You have also been making great decisions and consistently leading by example. I'm so proud of you! Keep up the awesome work, ka pai Edi!

Pūkeke: Lincoln—You have been working really hard on your reading and it is so exciting to see your growth here. We love your calm and thoughtful presence and what you contribute to small group discussions. What an awesome human you are!
