

Week 7, Term 4

24 November 2023

Kia ora e te whānau

The last two weeks of school have been action packed with Camps, Sports and our Enviro Reflection day too.

At our School Hui this morning some of our learners shared their highlights from camp. It was great to hear them talking about the activities that challenged them most and how much they loved the experiences that were on offer.

Our Year 7-8s from Pukeke had the most wonderful time at Vertical Horizons near Inglewood and some

of the highlights were definitely the high ropes activities, the mud run and night time eeling. Our Year 5-6 Campers at Highland Home highly rated the slip n slide, target shooting, Burma trail and confidence based

activities they were part of. Thank you to all the parents that supported our learners and teachers with these experiences—all your help was exceptionally valued and appreciated.

On Tuesday, 26 of our senior learners represented our school at Kainui Athletics.

Our athletics teaching and practice sessions each week were used as the selection process for this event and each student participated in multiple events

on the day. We were incredibly proud of the way they excelled, challenged themselves and encouraged other competitors. Early in December a group of our Wharite learners have been selected to visit Newbury School for another Kainui Athletics event.

On Wednesday we had a range of visitors join us as part of our Bronze Enviro Reflection day. It was lovely to host Rowena and Heather (Enviro School Facilitators) and also members of our Board of Trustees and Parent community. Our Enviro Crew did a fantastic job taking our visitors on a tour of our school and sharing their enviro learning. You are welcome to pop into the old Library and see some of the projects our learners have been part of this year.

We are in the process of planning our class and school organisation for 2024.

At the end of this year we will acknowledge Colin Leigh for the service and contribution he has made as our caretaker. Our staff and students have appreciated the connection Colin has maintained with our school and value all the repairs and maintenance he has done over many years. Colin loves joining us for the occasional morning tea treat and will always be welcome to do this in the future too.

The BOT have also accepted a resignation from Jono Clement and he will finish his teaching role with us at the end of this term. We are highly appreciative of Jono's teaching with Taurikura and within our Maharahara whanau. Jono has led sports this year and our learners have loved all the new games he has introduced as well as the Kainui events he has supported with. We wish Jono all the very best as he makes plans for the next stage of his teaching career.

As the end of the year quickly approaches we have lots of fun and engaging activities that students will be involved in.

Next Thursday our Student Leaders are organising a 'Crocs OR Crazy Socks Day'! Please don't feel any pressure to head out and buy crocs just for this day—crazy socks are wonderful too and this is the message we are sharing in classrooms!

There has been lots of work happening behind the scenes getting our pool ready for summer. Pool keys are now on sale and at this stage the pool will be open early next week.
