

Hiwinui School

Week 3 - Term 4
31st October 2019

Dear Family and Friends,

It's wonderful having a long weekend but then you have to squash 5 days into 4!

Where ever you were I hope that you found the sunshine and no wind.

Never before has a building contractor been a week early but Kynoch Construction have arrived this morning and put up security fencing for our new Outdoor Learning Environment build. This means that the Junior Ropu will now have to enter school by going around behind Mr McKay's classroom and coming in the cloakbay doors.

Tracey and her team are really busy pulling together the last few details for the Hops & Vines and it is looking to be an absolutely magical evening so if you haven't already bought your ticket there are a few left, so do get in and make a purchase. Have you gone online and had a look at the online auction? Anyone can make a bid for these items you don't need to be going to the evening. Head to: www.32auctions.com/HiwinuiSchool

SQUARE PEAR ART WORK: Last term all students created a beautiful piece of art. This was sent away to a company called Square Pear. They have created a Website from which you can access the art and make a purchase. The children's beautiful artwork is now available for purchase on bags, cushions and more! Check out the website squarepear.pixieset.com - select Hiwinui School and click on your child's name to view the final products. What an awesome Christmas present. This is a school fundraiser.

RONGOTEA LAMB & CALF DAY

this Saturday 2nd November - Te Kawau Memorial Grounds, Rongotea

Judging begins at 10am and the children need to be at the grounds before this in order to register their animals. If your child brought a lamb or a calf to the Hiwinui School Lamb, Calf & Pet Day they are able to attend the Rongotea Day.

We wish all Hiwinui School children the very best and 'may the sun shine on you'.

If you are bringing **calves** our Nait event number is 12662197 and **ALL** calves must have Nait tags in their ears.

On Sunday **Van Campbell** is travelling to Hawera to represent the Kainui Cluster at the **Area Speech Makers Competition**. We wish Van our very best and are sure that he'll represent us to the best of his ability.

We will continue with our weekly sausage sizzle for the near future. A reminder to place your order at the office **by 9am on THURSDAYS**. It would be really helpful if you could already have your order written out on a piece of paper with the correct change attached so **it can go straight in the container**. (Eftpos payments okay.)
