YEAR 6 MATHEX TEAM

Dear Parents and Caregivers,

On behalf of the Teaching Staff I would like to sincerely thank all our school families for the support you have given us during the NZEI Teachers Strike Day yesterday. We are most grateful to the well-wishes we have received and to the delivery of muffins by Duncan at 8am where we were standing in Ashurst. Thank you.

On Sunday afternoon **Mrs van den Brink's** much loved Mum passed away and as this newsletter goes to print we will be attending her funeral. On behalf of our extended Hiwinui Community we send our deepest sympathies to Fiona and her family.

This week we welcomed **Novena Jorgensen** as our Room 1 and 2 Teacher Aide. Novena has slotted beautifully into life at Hiwinui School and it has been lovely to see her reacquaint herself with some of her Playgroup Mums and families. Novena is supporting Fiona and Rebecca during the absence of Odette.

MATHEX TEAMS: Last Friday we had four teams entered in the local Mathex Competition. Mathex is a Teams event and is based on Problem Solving. Teams from all around compete and often each year group competes with about 30 - 40 other teams. We were most proud of our teams and the way they performed and wish to thank those parents who transported the teams for us - **Elizabeth Hansen, Kylie Look and Sam Stephens.**

SKOOL LOOP: We have had some fantastic feedback about Skool Loop, the App which can be downloaded. You get instant information and posts are uploaded immediately to your Home Screen as they are posted. Please check that your family and friends have downloaded the App to their phones. There was good coverage about Skool Loop on Seven Sharp on Tuesday evening.

WICKED:

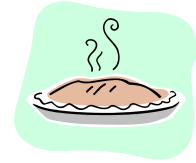

A big thank you to Noah Boniface's Mum, Nicola, for donating 4 tickets to see "Wicked" tonight at The Regent Theatre. We've had some lovely responses and the **Martins** were the lucky family drawn out of the hat by Miss Gibbs. Congratulations!
