

Hiwinui School

Week 4 - Term 4
8th November 2018

**SCHOOL
CLOSED**

next Tuesday
13th November
due to
Strike action

Dear Parents and Caregivers,

We are thrilled to announce two recent arrivals to our Hiwinui family - **Sarah's** little granddaughter **Harriet**; along with a new baby brother for **Cohen Rossiter**. Congratulations on these precious additions.

Hops & Vines:

What an amazing event; from the moment you walked in there was a real buzz of activity. The parents involved with the decorations and layout of the venue had done an amazing job and the hall looked stunning. Nothing was spared and **Tracey** and her team were just so organised. The food served was a credit to **Rachael** and her team and the Bar Staff and Servers looked very professional in their Hops & Vines aprons. A huge thank you to **Arthur Wood** who was our very professional Auctioneer. It was thanks to his skills that so much money was made from the Auctions, however without the auction items this wouldn't have been possible. Thank you so much to all those who donated items. It was great to see the 'Safe Drivers' at the end of the evening driving our guests home in Car and Commercial Vans.

We hope that by the next newsletter we'll have a final profit to announce.

The Fundraising Committee has certainly continued to work this week returning goods and making the most of the left-over food. The Hiwinui Subs were a real 'hit' with the children and it was fantastic to see the children sampling what was for many, new foods e.g. hummus and pesto. There was a real technology unit going with a well-oiled team serving 120 subs in half an hour. It was even heard that the children would prefer a Hiwinui Sub to a sausage!!

... End of Year Prize Giving ...

We are pleased to say that this year we will be trialling holding one Prize Giving at the **Freyberg High School Hall on Tuesday 11th December beginning at 6.30pm.**

All students from New Entrants to Year 8 will be involved and it will follow a different format to the past. School will close for all children on Friday 14th at 3pm.

End of Year Activities:

Unfortunately due to the numbers attending our end of year celebrations it has become necessary to change what we do and more importantly where we do it. While we had a venue organised, that has had to be changed because the number attending our events was greater than the Fire Safety rating in the hall, therefore at a very late stage we have had to rethink the whole thing.

Parents will be given the opportunity to share their thoughts on the evening via a survey during the days following the event.

It is with sadness that we inform parents of the passing of **Johnny Martin**. Johnny has literally provided dozens of lambs to children to rear at Hiwinui School in the past, via Irene, and this year has been no different with a number of children bringing his lambs along to our Pet Day. Our condolences go to his family.

BEE STINGS - at the moment we are having children stung daily by bees – please make sure that your children wear covered shoes to school every day as they won't be able to go onto the field without them.

Lamb, Kid, Calf & Pet Champions - 2018
