Week 6 - Term 4
21st November 2018

'Principal for the Day'

Dear Parents and Caregivers,

What an extremely busy week we have all had. We have had amazing weather considering the forecast and the Campers and the Year 5 EOTC groups have all been able to do everything that had been planned. It has been my pleasure to have been involved with both groups and while in Taupo Tuesday, I received some amazing feedback from the Camp Activity Instructors on the team work and support that our students were giving each other. These are things that you don't always see in a class setting.

I'd like to thank all the parents and staff who have given their time so freely and willingly at what is such an extremely busy time for all people. Thank you, our students have been given fantastic opportunities and it is great seeing them all making the most of these.

Meanwhile back at school Mrs Van den Brink has been having visits in Room 1 from the nine little people beginning school in the New Year. It is wonderful to be able to get their visits in before the last few weeks when routines tend to be a little relaxed.

Kainui Senior Athletics is next Friday weather permitting at the Massey Track. Due to camp, Mr McKay will get the information out early next week. Kainui Athletics is for all Year 4 - 8 students. Due to our camp dates being changed this year it has created pressure with activities that follow like the Athletics.

Our Principal last Friday was **Mr Noah Boniface**. Noah spent the day in Mrs Leigh's office and had the pleasure of changing one rule for the day. His rule was that lunchtime went for an extra 15 minutes. This was very popular with the students. Noah also saw the need to purchase new tennis racquets so he went into Palmerston North and bought the school an extra four racquets. While in the city Noah had to do the school banking - the bag of money was quite heavy to carry. Noah enjoyed his day and the best part was getting the tennis racquets for others to use.

End of Year Prize-Giving
