Wiki Whitu – Wá Toru
tekau mā toruth Mahura 2018

Dear Whanau a Hoa,

Ka whakapai ahau ki a koe mo tau atawhai - thank you for your kindness.
Kapai Whanau - for all the wonderful support we have had in this very busy week.

The number of families who have supported the students either with transport or attending the Kainui Football or the Kainui Music & Movement this week has been outstanding. At both events people have commented on the behaviour and positive attitude of our students.

Some comments from the tamariki:

- *"When the parents joined in with the dances it was fun."*
- *"I adored making things in the library."*
- *"In the mini-van Mr van den Brink had a story about birds - it was a flash van and a great story."* *"The McDonald milkshakes were very yummy."*
- *"It was fun connecting with the schools. Everyone were great sports and remained positive."*
- *"It was really good for us Saturday players as we were able to teach our peers about the game we love."*
- *"I think it was really great that we had people in our team that hadn't played football before and we made it into the final."*

The media coverage of our EGG-FREE SCHOOL last weekend has yet again highlighted to us our inclusivity for all at Hiwinui and this too has brought favourable comments from outside our community; no more so than the ex-Mayor of Manawatu District Council, Carol Clausen's phone call congratulating us on being supportive of ALL children.

Our school philosophy for respecting ourselves and our environment was extremely visual at the weekend with the **Suisted family**, kit out in their fluoros, making a huge positive impact on the Earth. On Saturday morning they were seen 'wombling' along the top end of Kelvin Grove Road collecting rubbish off the roadside. What great role models! We appreciate your efforts. This fits in well with this term's school-wide Inquiry "**Our Impact on the Earth**".

Today has been a fun day with as many as possible donning their Hunting & Fishing gear with the idea of showing the Manawatu branch of '**Hunting & Fishing**' the number of families who support their store. The ulterior motive of course is that we are hoping for sponsorship from them for our up and coming 'Hops & Vines' evening.

Congratulations and THANK YOU to **Rochelle Bailey** for all the time and effort put into last week's fabulous Scholastic Book Fair. Total sales of \$2963 raised a profit of **\$889** towards our school library. It was wonderful to see the children really engrossed in their reading, and their enjoyment in the Book Character Parade where it was evident that they really knew their books.

On Monday, Paul Robinson Builders will begin building the new toilet block which will be situated between Room 5 and the Activity Centre. The senior students are really looking forward to having their own unisex toilets. Also included in this little block will be a toilet for the disabled.

Doughboys' Family PIES available **3pm Wednesday 19th September**
from the Activity Centre

Final figures have been calculated and we have sold an amazing 743 pies as a school, WOW ! And we made a profit of ... wait for it ... **\$1776.07** !!! Awesome effort everyone – thank you so much for supporting this Camp fundraiser.

Please remember to BYO named bags, boxes or chilly bins next Tuesday so your pies can be packed for you ready to collect after school on Wednesday. A big THANK YOU goes to **Elizabeth Hansen** for all her hard work with this fabulous fundraiser.
