

Hiwinui School

Week 9 - Term 2
27th June 2019

All **LIBRARY BOOKS** must be
RETURNED to school TOMORROW

Dear Family and Friends,

Tomorrow afternoon all students will bring home their mid-year reports. These reports give you as parents an indication of the progress that your child has made over the past two terms in Reading, Writing and Mathematics and what their next steps are.

During week 2 of Term 3 you can follow up these reports at Parent Interviews to be held on the 29th and 30th July with the classroom teacher.

All students enjoyed having Kelly and her dog 'Peaches' at school supporting them with their awareness around dealing with dogs both in their own homes and when out in public. This is always a really good unit to participate in and should open up some good quality discussion for you at home, as a family, about dogs.

Official Opening of the Footpaths:

After what seems an eternity the Hiwinui Community Footpaths have been completed and Mayor Worboys and staff from MDC will perform a little 'Official Opening' at 9.30am next Wednesday 3rd July. We hope to be able to take the children out for this but as yet haven't had the OK from MDC.

OPEN CLASSROOMS - next Friday 5th July: 2.00 - 3.30pm

All family and friends are invited to come to school and celebrate with the children their Term 2 learning during our Open Afternoon on the last day of term.

Put this date and time on your calendar and we'll see you in the classrooms on the 5th.

... 2019 School Camp Fundraisers ...

1. **BERNADETTE PETERS' FAMILY PORTRAIT OFFERS** -\$25 Vouchers available from the school office include a sitting and 8" x 10" photo. Extra copies and USB available to purchase if required. (Offer ends 30th September.)

If your child is initiating Bullying Behaviour:

All children are capable of bullying at some time and it's important to respond in a calm and helpful manner. Many students engage in bullying for a short time only and then stop either because they realise it's wrong or they are supported to learn more appropriate behaviour. A small group of students continue to bully others over many years.

Children who bully others need help and support to learn better ways of relating to others. If you think your child might be bullying others, here's what you can do:

- Find out what's going on for them
- Try to understand why your child may be behaving in this way. Ask them about what they think is going on and why they are bullying someone else - remember not to criticise, blame or judge.
- Think about any issues or problems your child might be experiencing that may be impacting on their behaviour. Your child may be having social or emotional problems they find hard to handle. They might feel pressured to take part in bullying to be accepted or so they don't get bullied themselves.
- Ask them what they think might help them to stop bullying. Sometimes a student who bullies other children in one situation may be bullied themselves in another.

- Be clear about what you expect.
- Calmly explain what bullying is and why it's not acceptable. Talk about the other person's feelings and help your child to understand what it is like for the person being bullied.
- Talk to them about what is acceptable behaviour. Discuss school rules and how you expect your child to behave at school and home.
- Tell your child that you do not support bullying, but that you do support them. Reassure them that you are ready to help and support them in putting a stop to bullying behaviour.
- Talk to your child about better ways to handle situations where they may act aggressively. For example, asking for help if they get frustrated, walking away to cool down, respecting others and being tolerant of people who are different from them.
- Regularly check in with your child to see how they are doing.
- Praise appropriate behaviour
- When you see your child getting on well with others, or keeping calm when they don't like something, let them know how well they are doing. You might have to look really closely at first, but recognising and praising good behaviour is important.
- Talk to the school or Kura
- Talk to your child's teacher about the problem and ask them how they can help. When you and the school work together, you are much more likely to be able to resolve the problem.

THURSDAY - SAUSAGE SIZZLE orders must be in by 9am every Thursday for Friday's lunch: \$2 each - CAMP Fundraiser

Please have your order in the office BEFORE 9am on THURSDAY MORNINGS with the correct change and the child's details written clearly on the front of the envelope, bag, or piece of paper (e.g. *Billy Bunter - Room 6 - 1 x Sausage*). Eftpos is available. No late orders will be accepted.
